## Girl Scout Reward Information

800+ -- Join us for an exclusive Build-A-Bear event. Each Girl Scout will take home a Girl Scout Bear, Girl Scout clothing item, and Girl Scout vest or accessory. \* Items subject to change based on availability.

1000+ -- Kick off summer right with a new pair of custom-designed Vans. Each Girl Scout who sells 1,000 packages or more will receive a link to design their own shoes, shipped right to you!

2500+ -- Each Girl Scout who sells 2,500 packages or more can choose between a pair of sleek wireless noise cancelling headphones or an Advanced GPS Drone with 4K Camera. Whether you choose to rock these stylish headphones or take sprawling photos with the drone, each Girl Scout will also receive the Super 2024 Cookie patch.

4000+ -- When Girl Scouts' sell 4,000 packages or more, they get to choose between a new Apple iPad Pro (11-inch) or a Wi-Fi-enabled ArcadeUp 32-inch Infinity Game Table. The iPad Pro offers astonishing performance, incredibly advanced displays, and superfast wireless connectivity to accomplish all your big dreams and needs. The Infinity Game Table presents board games, puzzles, and activities to play online with other Girl Scouts, host exciting game nights with your family & friends, or keep yourself engaged with individual games. The choice between these two will not be easy!

5500+ -- Join us on a Disney Cruise Aboard the Disney Magic between July 28-August 3, 2024. Why not sell this many packages when each Girl Scout's hotel, cruise, meals, and airfare to and from Ft. Lauderdale, Florida, is covered by us? They'll get to explore Disney's private island Castaway Cay, Nassau, Bahamas, and Disney's newest private island, Lighthouse Point – where magic meets the beauty and culture of the Bahamas. You don't want to miss out on this trip!

## Girl Scout Travel

The Cookie Program helps fund phenomenal travel experiences for Girl Scouts of all ages. Girl Scout travel promises them the chance to plan and lead their own trips, and to travel in an all-Girl Scout environment, where they can feel safe in taking risks and confident in building new skills.

A great way troops can use their troop proceeds:

- For a trip the troop has planned themselves.
- For a trip the council has planned and invited troops to come along.
- For a trip planned by a service unit for local troops.
- For a Getaway trip, which are Movement-wide opportunities for troop participants, hosted by councils.

A great way individual Girl Scouts can use their activity credits:

- For a council-planned trip.
- For a trip organized by a service unit.
- For day trips or overnight trips to Girl Scout camps.
- For a Destination trip, which are Movement-wide opportunities for Cadette, Senior, and Ambassador individual members.
