

Activity Credit Redemption for EF Tours

Complete this form and return to Girl Scouts of Utah with your Activity Credits. GSU will call EF Tours and make a deposit to your account. Please note that deposits will not be made immediately; allow a few weeks for your account to reflect a new balance.

If you cancel your spot on the trip, any Activity Credits that were applied to your balance will be returned to Girl Scouts of Utah, and you'll need to contact council about how you want your credits to be used.
