

# On My Honor

Chorus: On my honor, I will try.  
There's a duty to be done and I say aye.  
There's a reason to be here for a reason above.  
My honor is to try and my duty is to love.

People don't need to know my name.  
If I've done any harm, then I'm to blame.  
If I've helped someone, then I've helped me.  
And I've opened up my eyes to see.

I've tucked away a song or two.  
If you're feeling low, there's one for you.  
If you need a friend, then I will come.  
And there's many more where I come from.

Come with me where the fire burns bright,  
We can even see better by the candle's light.  
And we'll find more meaning in a campfire's glow,  
Than we've ever found in a year or so.

We've a promise to always keep.  
And to pray "Softly Falls" before we sleep.  
We are Girl Scouts together and when we're gone,  
We'll still be trying and singing this song.

# I Climbed a Mountain

I climbed the mountain, I saw the other side  
And I can sleep now because I'm satisfied  
I saw a rich land where each one had their share  
I saw a free land with freedom everywhere

Chorus: And there's peace in the valley,  
and there's hope in the land  
And there's joy in the children  
And there's love, beautiful love, in the heart of all

I saw a schoolhouse where every child could come  
I saw a table that welcomed everyone  
I saw a city that had no slums to hide  
I saw a prison that had no one inside

I saw the lion lie down beside the lamb  
I saw the white dove asleep upon the sand  
And I saw Caesar give up his mighty throne  
And I saw Johnny as he came marching home

# Tell Me the Reason

Tell me the reason I was born to roam,  
Tell me the reason I am so far from home,  
Tell me the reason only birds can fly,  
Tell me the reason I was born just to die.

How many mountains will I have to climb,  
How many memories will I leave behind,  
How many daydreams will I make come true,  
How many heartbreaks until I find you?

There is a valley called Peace of Mind,  
There is a river running right by it's side,  
There is a moment of Glory so new,  
There is Eternity to spend loving you.

# I Want to Be Strong

I want to be strong,  
To be, strong as the land around me,  
I want a heart that's as wide as the sky  
I want a spirit like a moving mountain stream,  
I want to look people, straight in the eye.

Walking along beneath a canopy of clouds.  
Feeling like a stranger in the midst of a crowd.  
I know that something great is calling me out  
loud.  
I know that I must choose.

I know that in this world there's hunger and  
there's hate.  
But if we care it's not too late.  
A loving, laughing world, we'll be able to  
create.  
Underneath the endless sky

# On the Loose

Have you ever seen the  
sunrise turn the sky  
completely red?  
Have you slept beneath the  
moon and stars with a pine  
bough for your head?  
Have you sat and talked with  
friends, though a word was  
never said?  
Then you're like me and  
you've been on the loose.

Chorus:  
On the loose to climb a  
mountain,  
On the loose where I am free.  
On the loose to live my life,  
The way I think my life should  
be.  
For I've only got a moment,  
And a whole world yet to see,  
And I'll be searching for  
tomorrow, on the loose.

There's a trail that I'll be  
hiking  
Just to see where it might go.  
Many places yet to visit,  
Many people yet to know.  
And in following my dreams,  
I will live and I will grow,  
On a trail that's out there  
waiting, on the loose.

So in search of love and  
laughter,  
I'll be traveling through this  
land.  
Never sure of where I'm  
going,  
For I haven't any plans.  
But in time when you are  
ready,  
Come and join me, take my  
hand.  
And together we'll find life,  
Out on the loose!

## Make New Friends

Make new friends, but keep the old.  
One is silver, the other is gold.

A circle is round, it has no end.  
That's how long, I want to be your  
friend.

# Barges

*Chorus:*

Barges, I would like to go  
with you,  
I would like to sail the  
ocean blue.

Barges, have you  
treasures in your hold?  
Do you fight with pirates  
brave and bold?

Out of my window  
looking in the night,  
I can see the barges  
flickering light.

Silently flows the  
river to the sea,  
As the barges too go  
silently.

Out of my window  
looking in the night,  
I can see the barges  
flickering light.

Starboard shines green  
and port is glowing red,  
I can see the barges out  
ahead.

How my heart longs  
to sail away with you,  
As you sail across the  
ocean blue.

But I must stay beside my  
window clear,  
As the barges sail away  
from here.

# Friendship Is

Friendship is a shiny thing  
A steady beam of light  
A lantern on a lonely  
street  
A song far in the night.  
A smile or a touch of a  
loving hand  
An outpost on a hill  
Oh! What a happy little  
child,  
Bringing home a daffodil!

Friendship is a happy  
thought  
A warmness in your heart  
Friends are those who  
understand  
And friends will never  
part.  
For two people very much  
in love  
In a life that's never still  
And oh! What a happy  
little child  
Bringing home a daffodil!

# I am One Voice

I am one voice and I am  
singing, (repeat 3x)  
I am not alone.

We are two voices,  
And we are singing (3x)  
We are not alone.

We are a hundred voices  
singing (3x)  
We are not alone.

I am one voice and I am  
singing (repeat 3x)  
(all join in) You are not  
alone.

# Linger

Mmm-mmm, I want to  
linger

Mmm-mmm, a little  
longer Mmm-mmm, a  
little longer here with you

Mmm-mmm, it's such a  
perfect night

Mmm-mmm, it doesn't  
seem quite right

Mmm-mmm, that this  
should be my last with  
you

Mmm-mmm, and come  
September

Mmm-mmm, I will  
remember

Mmm-mmm, our  
camping days and  
friendship true

Mmm-mmm, and as the  
years go by

Mmm-mmm, I'll think of  
you and sigh

Mmm-mmm, this is  
goodnight and not  
goodbye

Mmm-mmm, I want to  
linger

Mmm-mmm, a little  
longer Mmm-mmm, a  
little longer here with you

# Third Fence Post

I've been sitting here  
thinkin' 'bout leaving  
When I wanted to stay  
the most.

So I went outside and left  
a piece of my heart  
Buried 'neath the third  
fence post.

## Chorus

So when tomorrow  
morning comes I'll be  
smiling,  
Though I might be a little  
down,  
Although my body's  
leaving, I'll still be around.

I've been sitting here  
thinking 'bout flowers and  
sunshine  
And the happiness of  
being alive.  
Which means I'm thinking  
of you and the waters  
and the mountains  
And the plenty of wide  
open sky.

I've been sitting here  
thinking 'bout smiling  
And the warmth and the  
love you give.  
So I went inside your little  
house  
And felt glad this is how  
you live.

# Magic of Cloud Rim

The peacefulness and  
solitude I find here,  
I cannot explain how I feel  
alive.

Water trickling yonder, a  
wishin' star for me  
The beauty here reminds  
me of you.

(chorus)Hiking to mountain  
peaks,  
treasuring magic pennies.  
Friendship and love never  
ends here.

It follows our pathways  
and guides us here,  
to the Magic of Cloud Rim.

I remember the trails,  
winding through the  
aspens.

You can hear the wind  
rustling above you.  
The glistening of Lake  
Brimhall  
reflects a double rainbow,  
I believe I've found a home  
for my heart.

So now I take a walk to  
remember how it was,  
when people knew how to  
be friends.  
We could laugh, we could  
hug,  
we could share each  
other's dreams.  
The trusting look of a child,  
the sound of love,  
I am on my way home.

# The Song of Trefoil Ranch

Up in a canyon, surrounded  
by aspen trees,  
where the freedom of the  
butterfly makes you smile  
There is a place where  
wildflowers dot the hillside.  
And the joy in the air makes  
you want to stay a while.

(chorus)The wind in the  
aspens,  
the laughter of a trickling  
stream,  
sings the song of Trefoil  
Ranch for all to hear.  
A campfire, a quiet song,  
and a circle of loving friends,  
Makes you want to be a part  
of Trefoil next year.

The tears and laughter of  
living side by side,  
and the challenge of daily  
life in our mountain home  
We live and learn, and share  
as we experience,  
The beauty of this land, as  
hand in hand we roam.

And we'll remember the  
good times that we've had,  
as we pack our bags and go  
our separate ways.  
A moonlit hike,  
a trail ride with a special  
friend,  
And the joy in the air makes  
you want to stay a while.

# Moon on the Meadow

Moon on the meadow  
bugs in our ears,  
Smoke in our eyes,  
wet wood and tears.  
On up the meadow,  
water somewhere,  
We were the only ones  
there.

Wild horse and Slushy,  
Dry Lake, the Peaks,  
finding the love there  
ev'ry one seeks.  
Hiking to rainbows,  
sunsets and stars,  
Just finding out who we  
are.

We will return here  
one lucky day,  
Our hearts will guide us,  
they've learned the way.  
People in cities  
don't understand  
falling in love with the  
land.

Moon on the meadow,  
bugs in our ears,  
Smoke in our eyes  
wet wood and tears.  
On up the meadow,  
water somewhere,  
With you, my friend, I am  
there

# The Circle Game

Yesterday a child came out  
to wander  
Caught a dragonfly inside a  
jar  
Fearful when the sky was  
full of thunder  
And tearful at the falling of a  
star

And the seasons, they go  
round and round  
And the painted ponies go  
up and down  
We're captive on the  
carousel of time  
We can't return, we can only  
look  
Behind, from where we  
came  
And go round and round and  
round, in the circle game  
Then the child moved ten  
times round the seasons  
Skated over ten clear frozen  
streams  
Words like, "When you're

older" must appease him  
And promises of someday  
make his dreams

16 springs and 16 summers  
gone now  
Cartwheels turn to car  
wheels through the town  
And they tell him, "Take your  
time, it won't be long now  
'Til you drag your feet to  
slow the circles down"

So the years spin by and  
now the boy is 20  
Though his dreams have  
lost some grandeur coming  
true  
There'll be new dreams,  
maybe better dreams and  
plenty  
Before the last revolving  
year is through
